Hashi #0001

Easy · Hashi

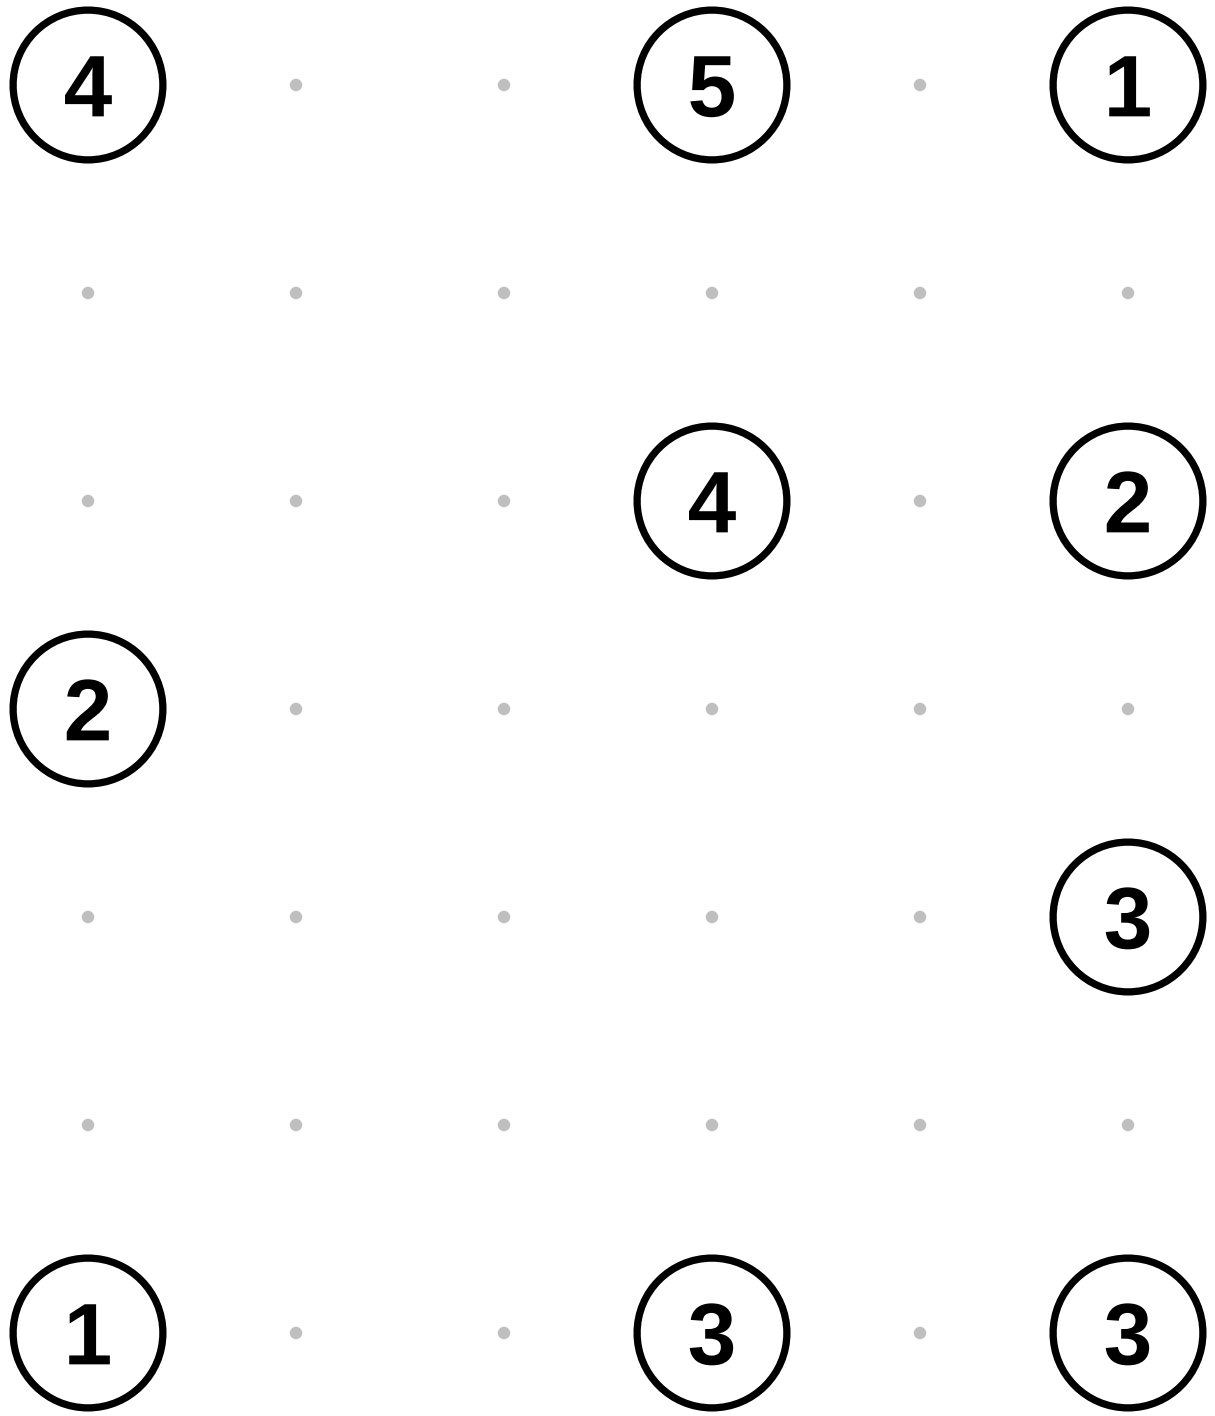

Join the islands with bridges so each island has as many bridges as its number. Bridges run straight across or down, never cross each other or an island, and at most two join the same pair. Every island must connect into one group.

Hashi #0004

Easy · Hashi

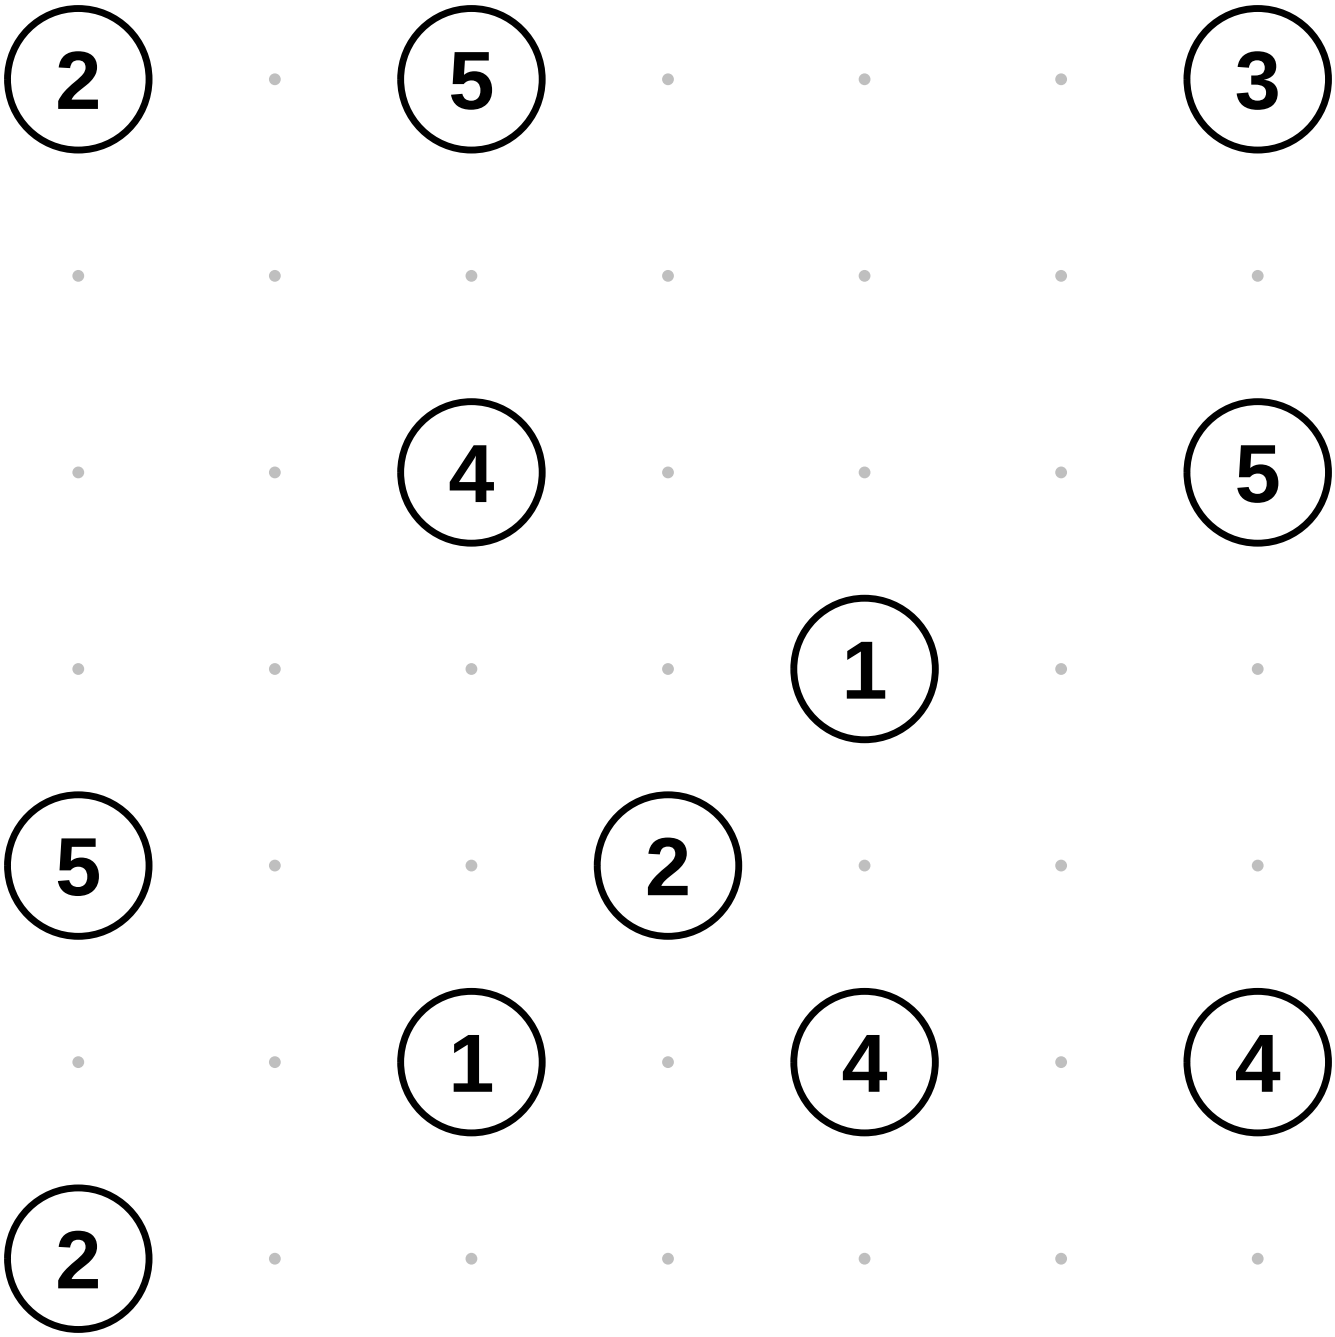

Join the islands with bridges so each island has as many bridges as its number. Bridges run straight across or down, never cross each other or an island, and at most two join the same pair. Every island must connect into one group.

Hashi #0007

Easy · Hashi

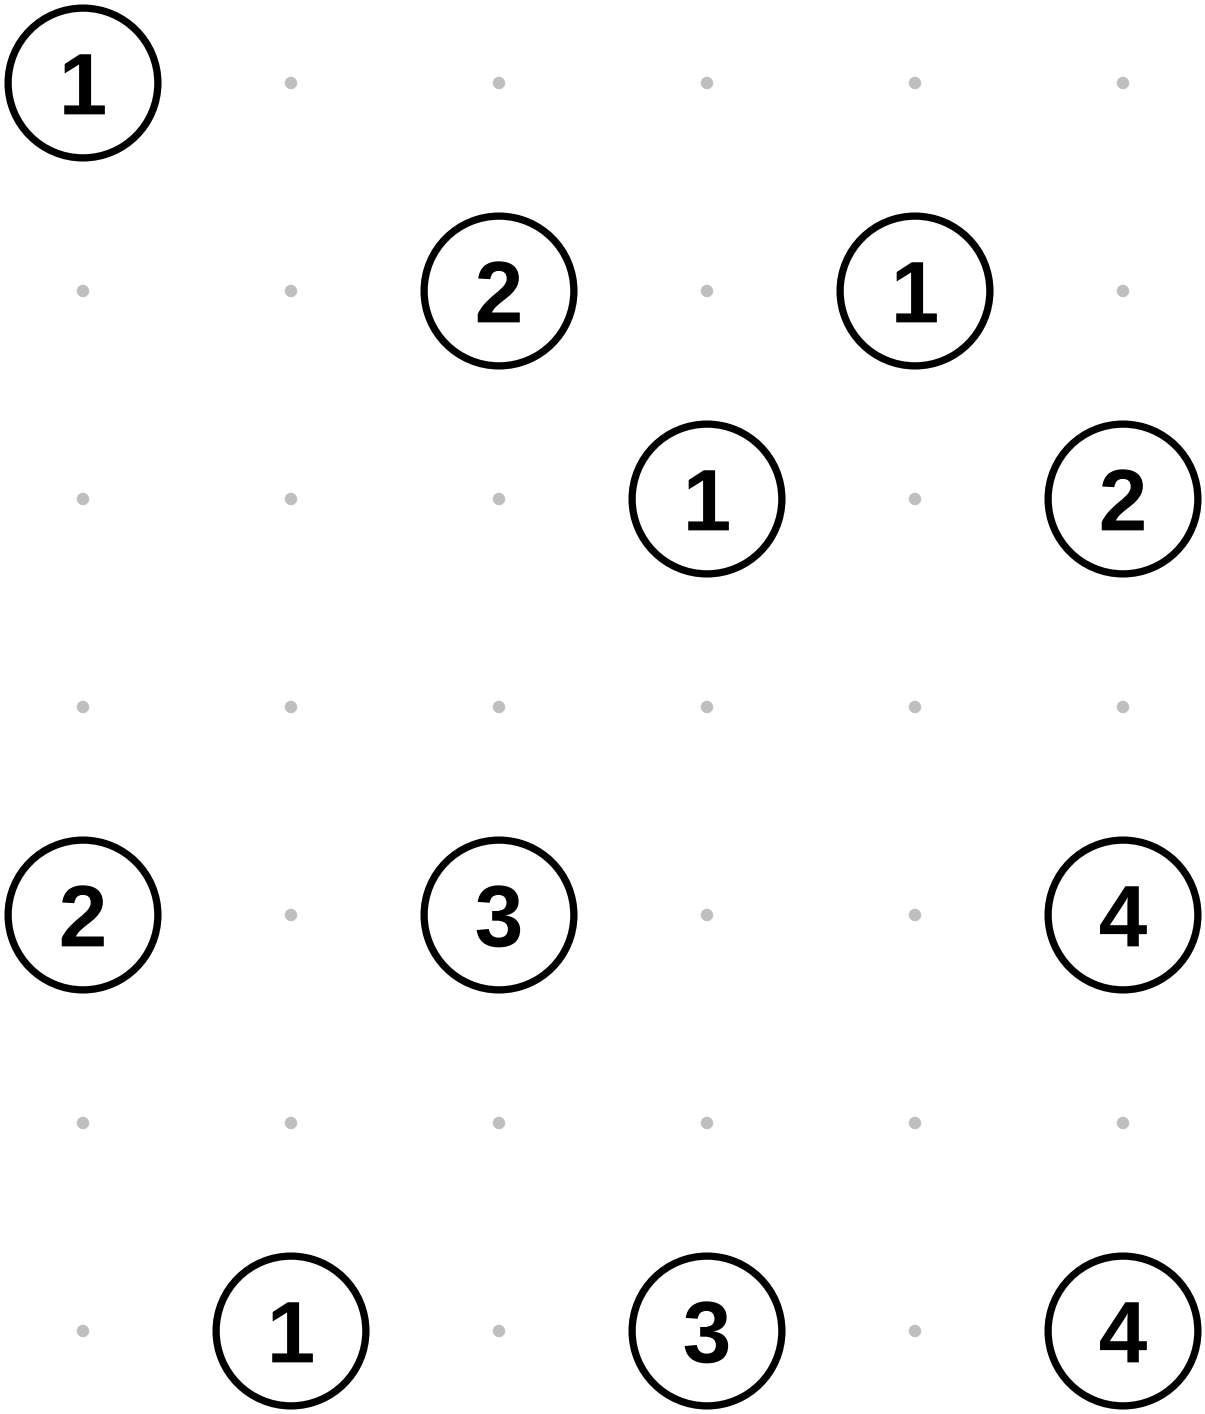

Join the islands with bridges so each island has as many bridges as its number. Bridges run straight across or down, never cross each other or an island, and at most two join the same pair. Every island must connect into one group.

Hashi #0010

Easy · Hashi

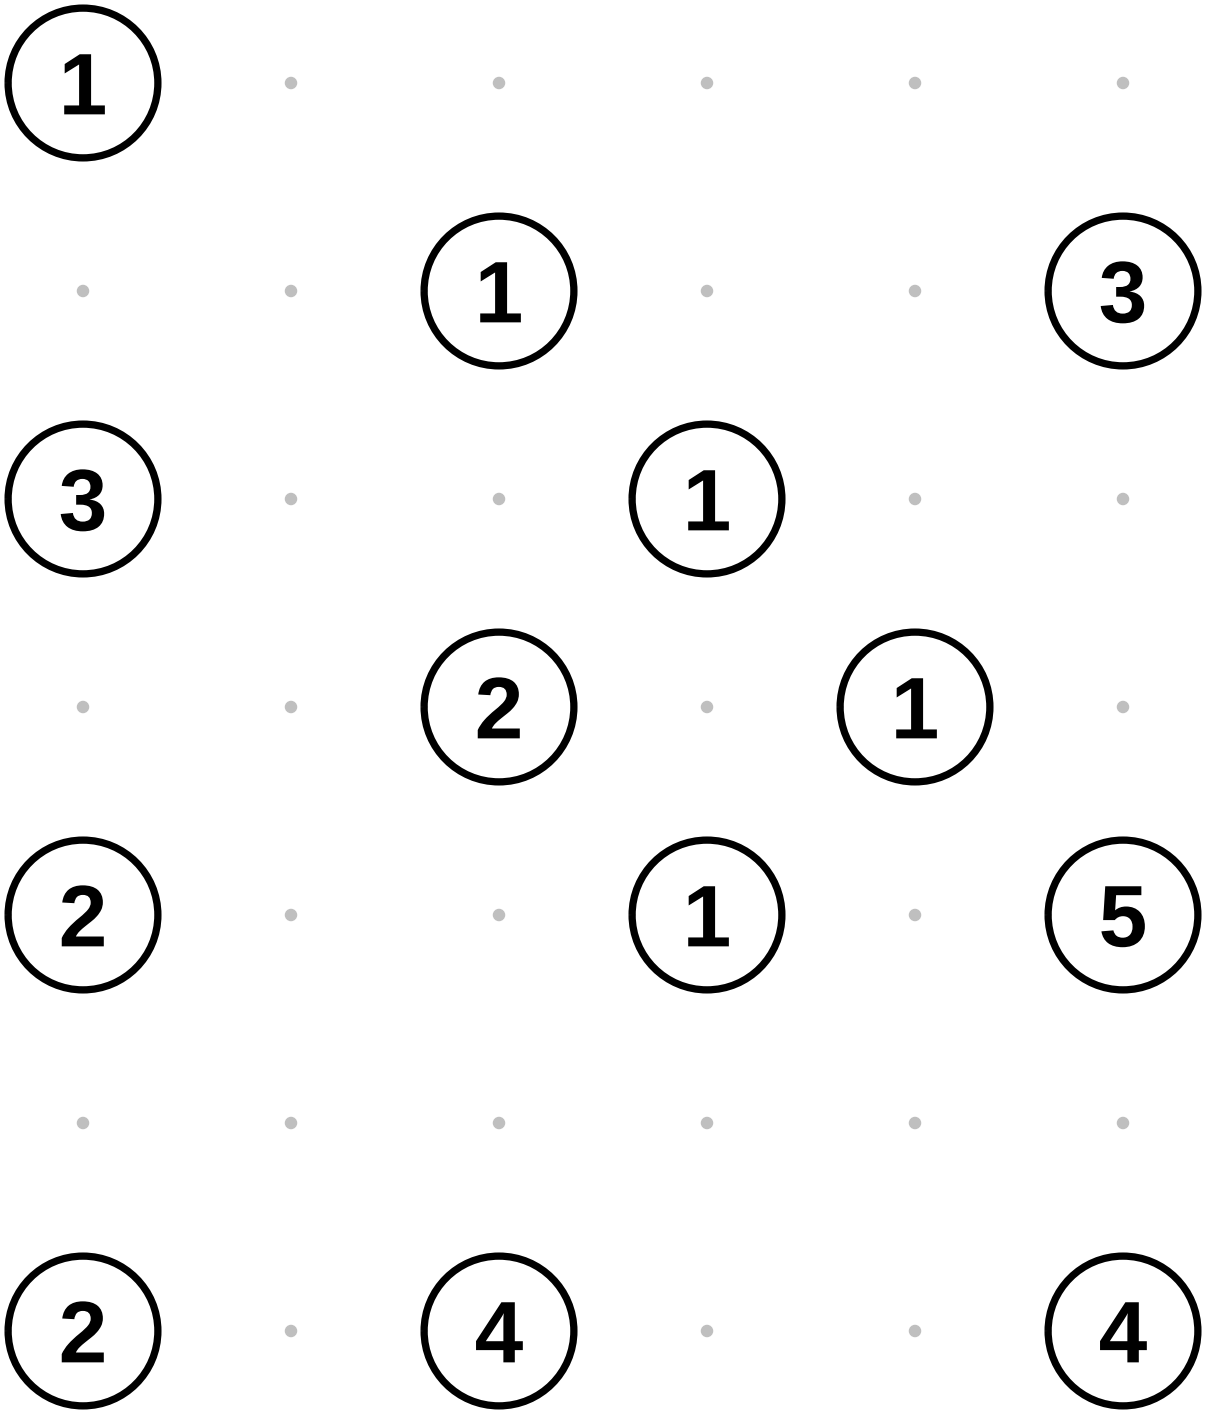

Join the islands with bridges so each island has as many bridges as its number. Bridges run straight across or down, never cross each other or an island, and at most two join the same pair. Every island must connect into one group.

Hashi #0013

Easy · Hashi

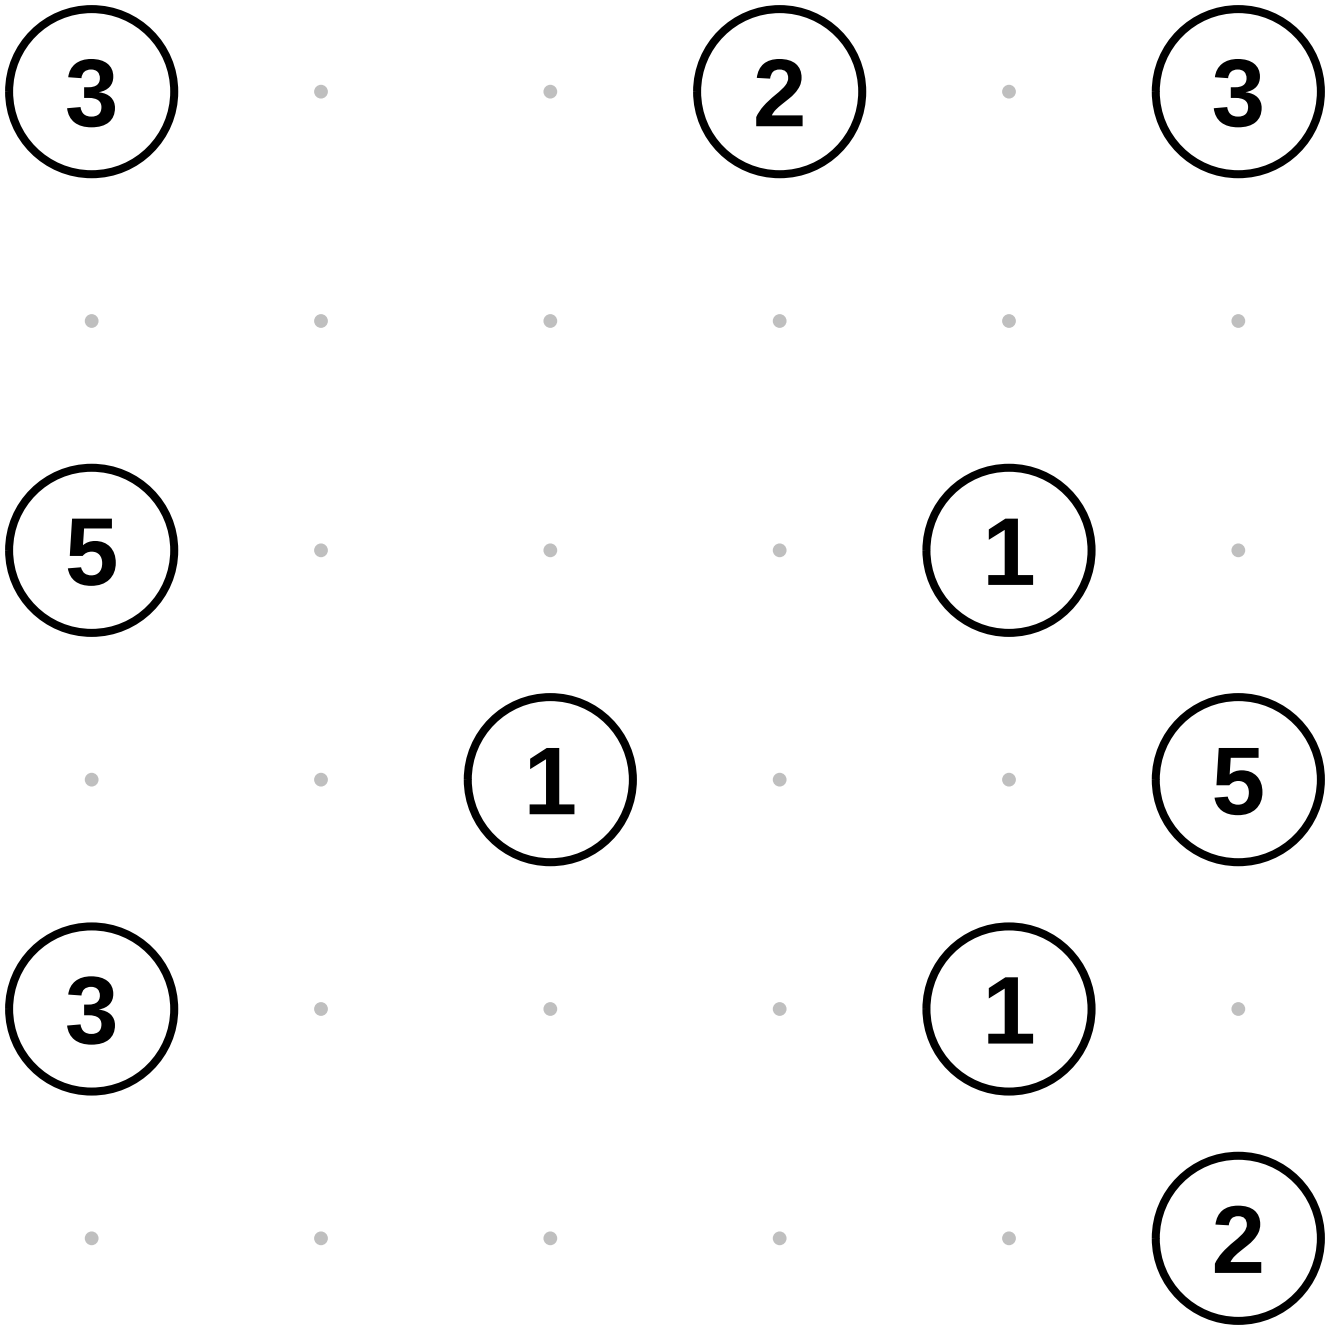

Join the islands with bridges so each island has as many bridges as its number. Bridges run straight across or down, never cross each other or an island, and at most two join the same pair. Every island must connect into one group.

Hashi #0016

Easy · Hashi

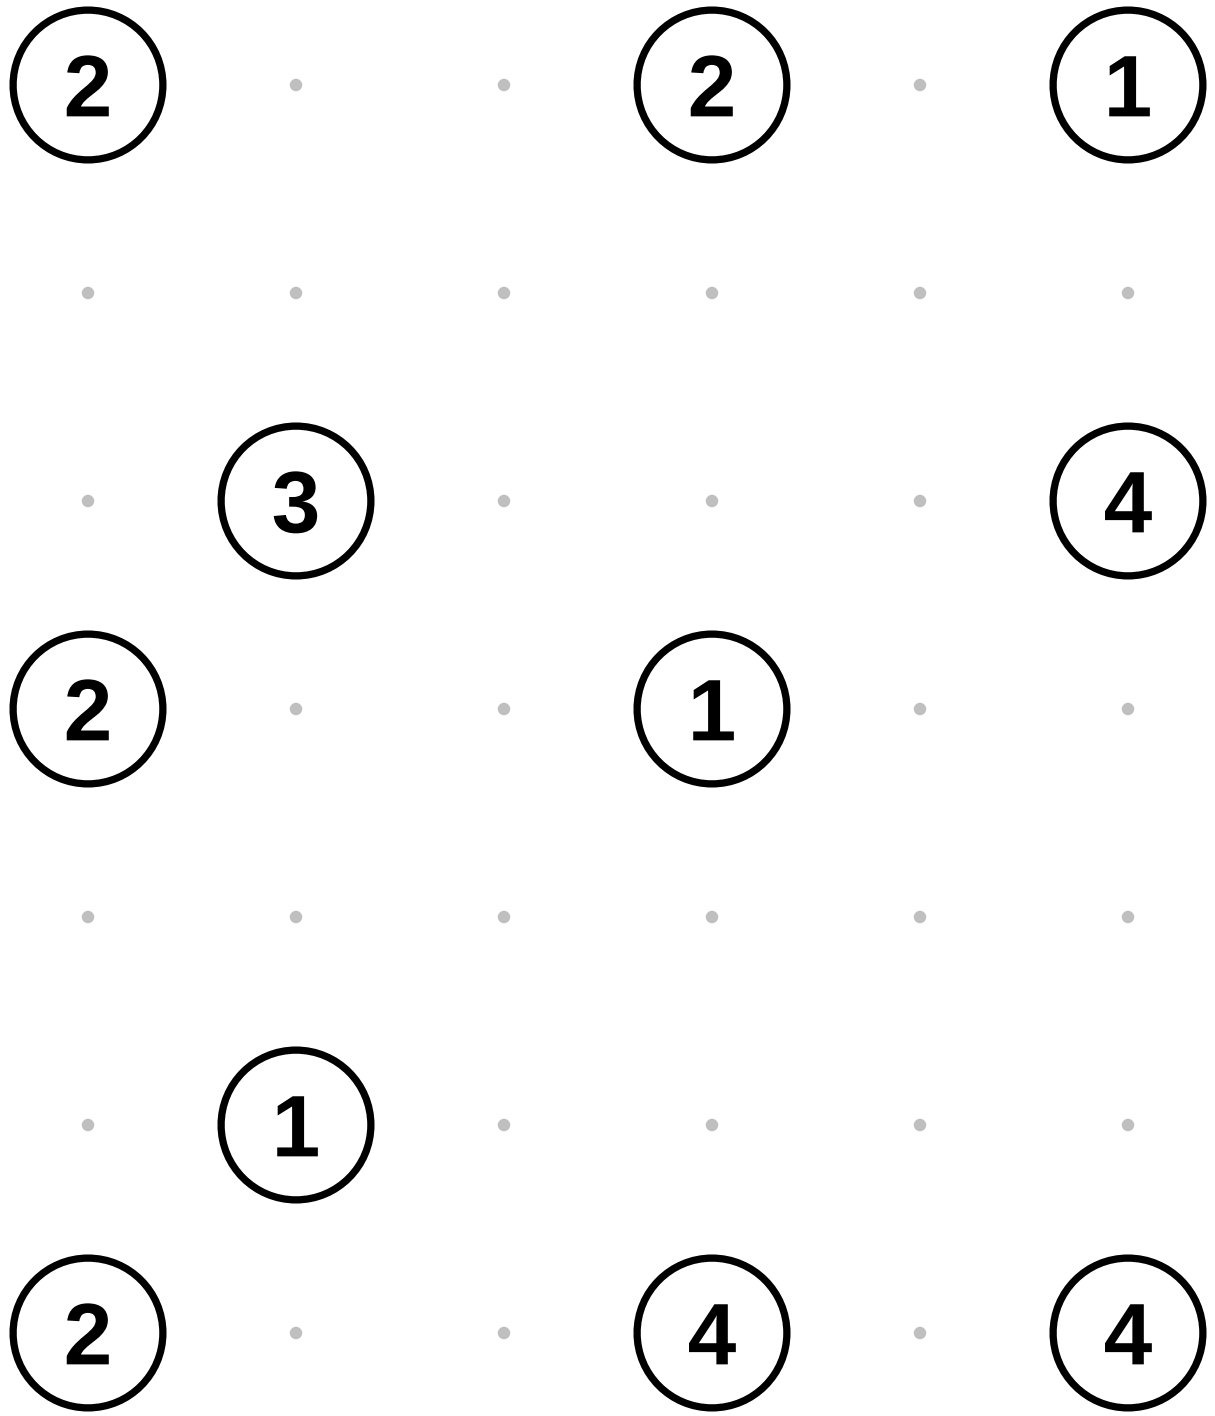

Join the islands with bridges so each island has as many bridges as its number. Bridges run straight across or down, never cross each other or an island, and at most two join the same pair. Every island must connect into one group.

Hashi #0019

Easy · Hashi

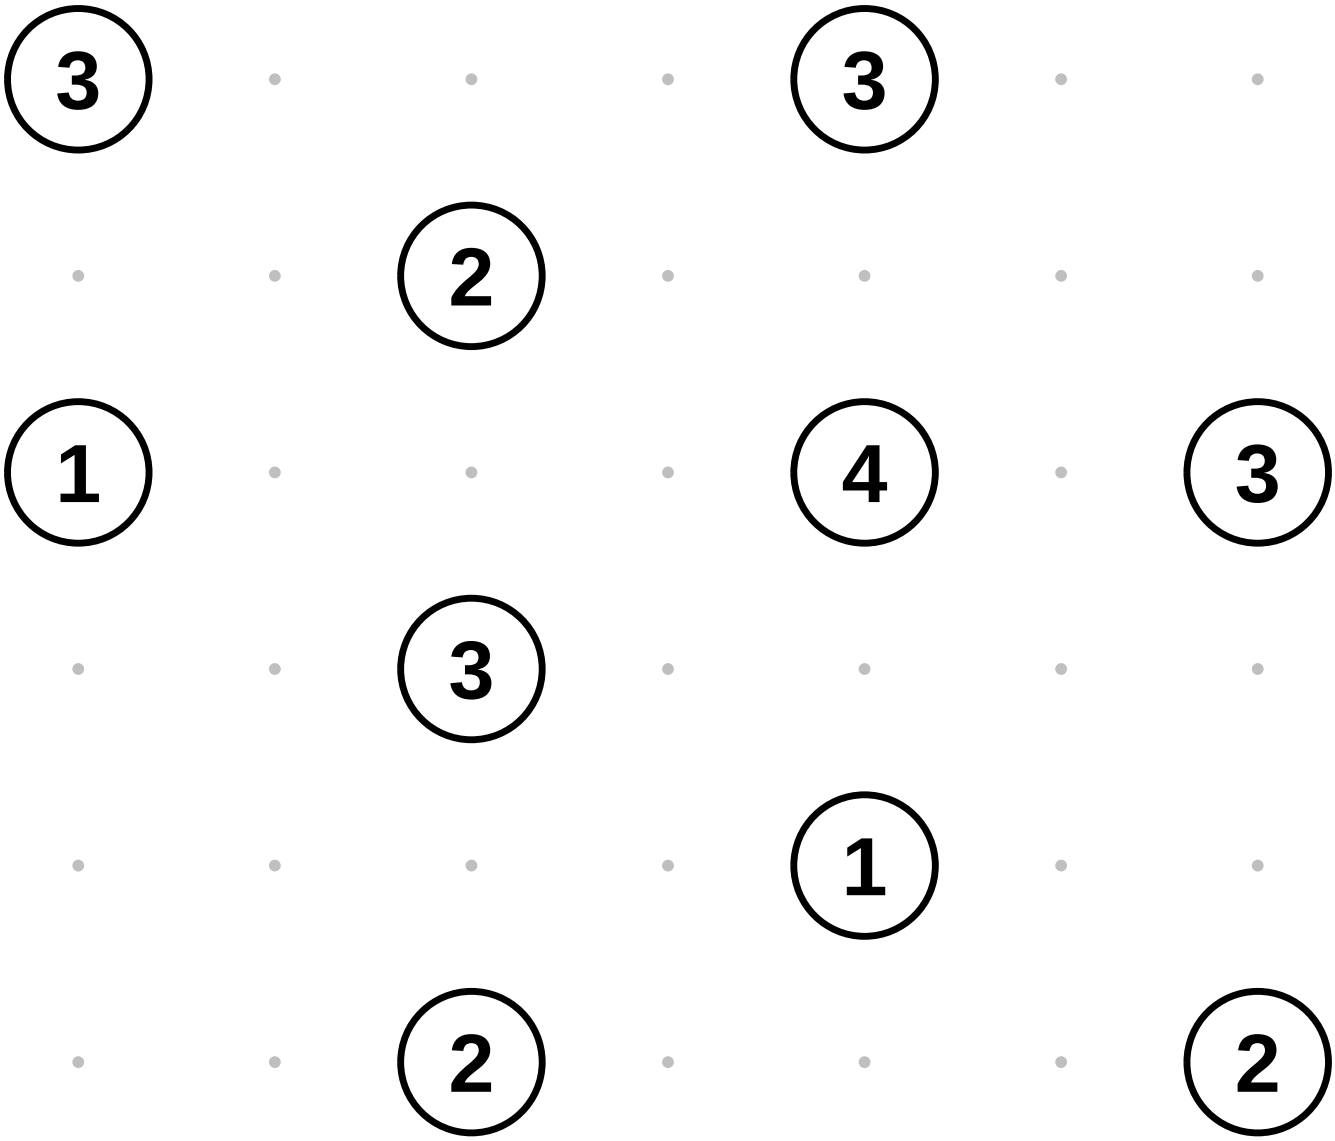

Join the islands with bridges so each island has as many bridges as its number. Bridges run straight across or down, never cross each other or an island, and at most two join the same pair. Every island must connect into one group.

Hashi #0022

Easy · Hashi

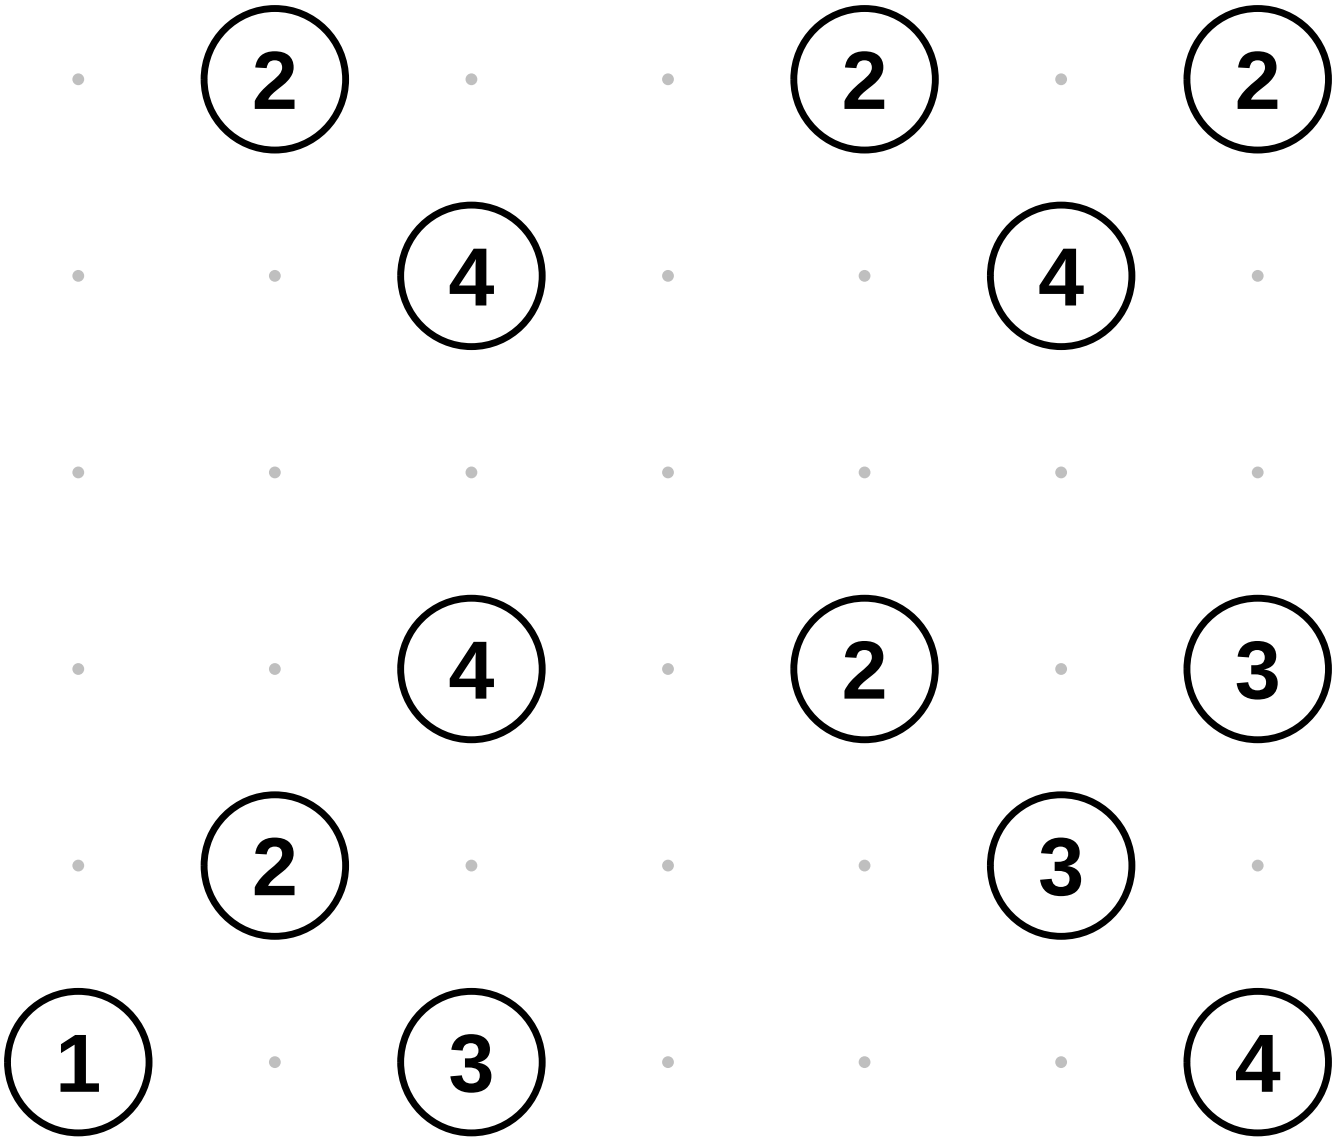

Join the islands with bridges so each island has as many bridges as its number. Bridges run straight across or down, never cross each other or an island, and at most two join the same pair. Every island must connect into one group.

Hashi #0025

Easy · Hashi

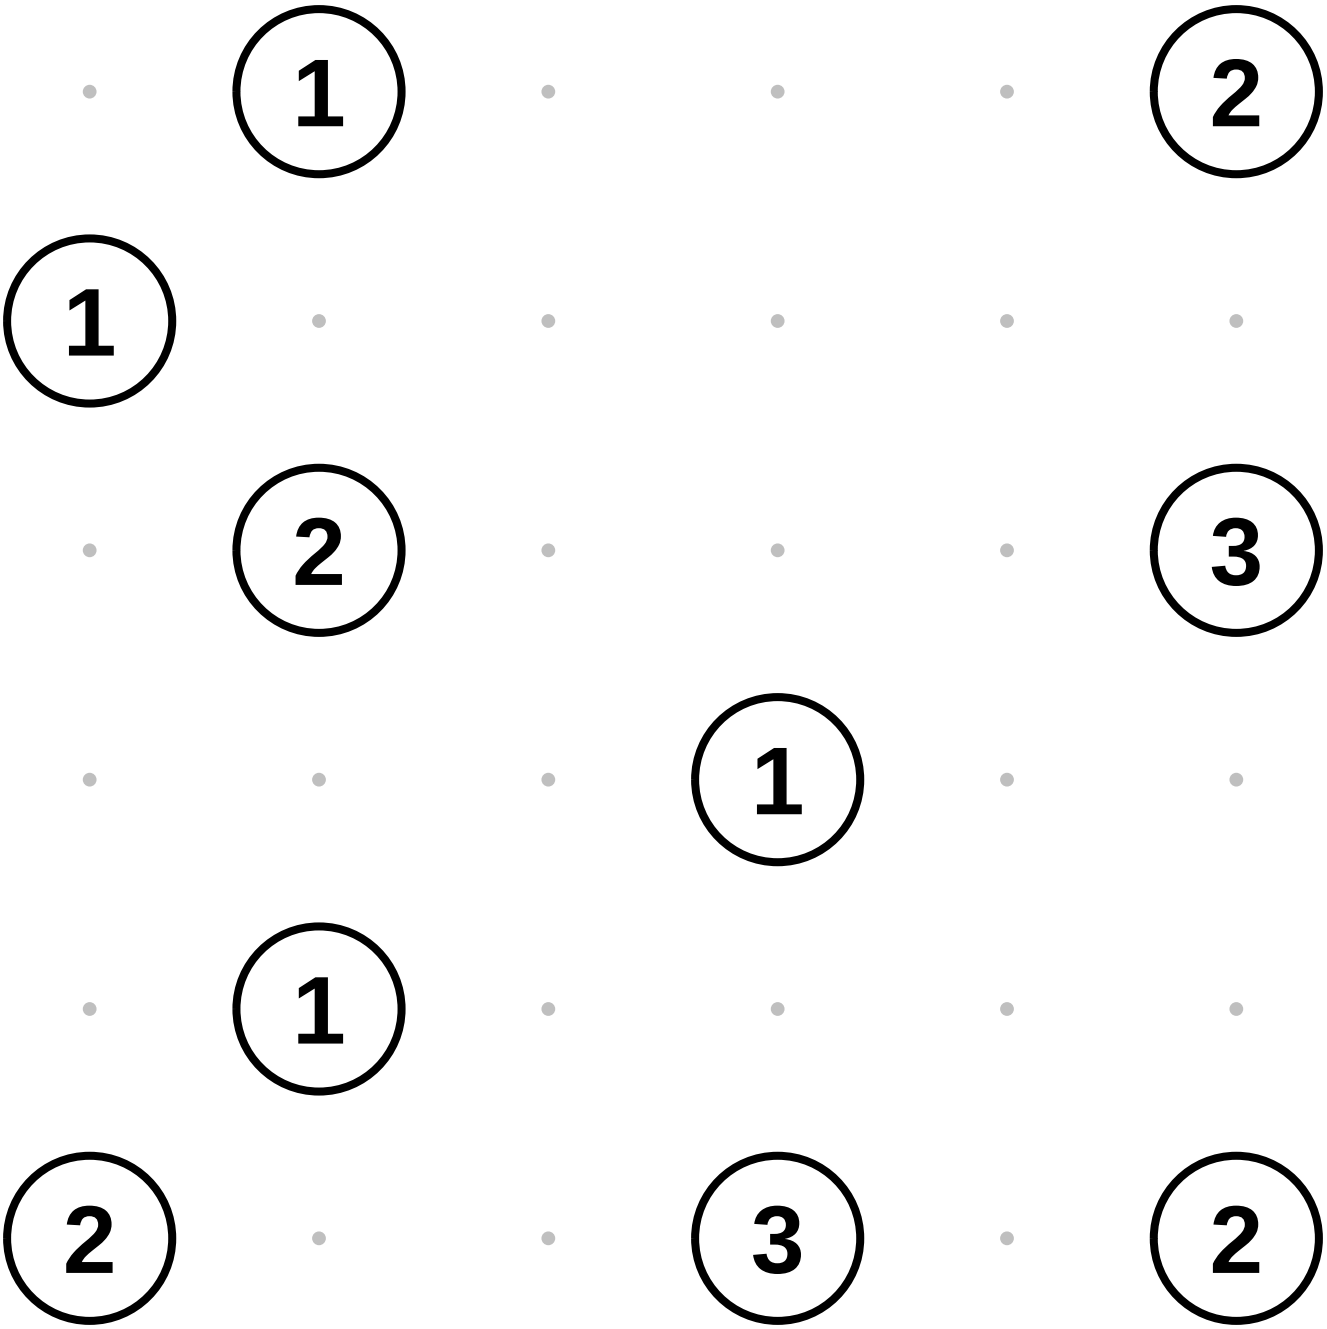

Join the islands with bridges so each island has as many bridges as its number. Bridges run straight across or down, never cross each other or an island, and at most two join the same pair. Every island must connect into one group.

Hashi #0028

Easy · Hashi

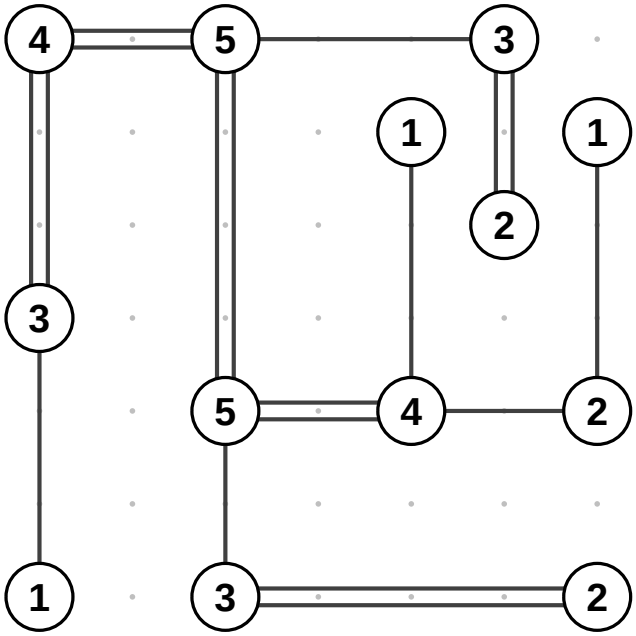

Join the islands with bridges so each island has as many bridges as its number. Bridges run straight across or down, never cross each other or an island, and at most two join the same pair. Every island must connect into one group.
